## From the President's Desk

*By Bill Sackett, President*

Well, thank goodness spring is almost here. I definitely want to put away my snow shovel and sharpen the blade on my mower, enjoying the warmer weather and watching everything turns green.

As we look forward to spring and summer, remember, the Newburg Firemen's Picnic is quickly approaching. I am sure the Fire Department is looking for volunteers to work at their annual picnic. This is a great way to show your support to an organization who serves this village and surrounding areas so very well.

Spring also means April elections. There will be three Trustee positions on the ballot. Please remember to vote and if you would find it of interest to serve on one of the various committees serving the Village of Newburg, please call the Village Clerk (262-675-2160) and leave your name and phone number and I would be more than happy to call you and discuss this in more detail.

With that being said, I personally want to take this opportunity to thank Diane Miller for serving the Village of Newburg in various positions over the last 15 years. She has decided to step down from her position currently on the Planning Commission affective after the elections in April when the new committees will be formed. Many times she brought forth various ideas and comments that showed a different side of an issue which is what is suppose to happen in government. Diane showed a tireless effort in evaluating and researching the matters that came before the committees she served on. Diane will be missed and I can wish her nothing but positive happenings for her in the future. THANKS DIANE.

I also want to thank Doug Hein who has served the Village of Newburg as their Treasurer over the last several years. Doug will be stepping down from his

position affective June 2008. Doug showed professionalism in carrying out the duties he was responsible for as Treasurer for this community. He will be spending more time with his family since his children are very active in various school and summer activities. THANKS DOUG.

Soon you will see the new park which is located next to the river by the bridge taking shape. A special thank you to the Parks Committee in completing this mission and bringing this to a reality. The park will be named after the Village of Newburg's first President, "Fritz Falkner" who I had the honor to serve under as a trustee on the very first Village Board. The first Village of Newburg's Board meeting was held on January 2, 1974.

A special thank you to our Department of Public Works people who, because of the extreme winter we had with snow, put in countless hours keeping our village streets open. We all have to realize that this was accomplished even when these individuals had other full time duties elsewhere. GREAT JOB.

We have received numerous applications for the new full time position of Deputy Clerk/Treasurer. These will be reviewed by the Personnel and Finance Committee who will than forward their recommendation to the Village Board for approval.

## Office of the Fire Chief of Newburg

*By Chief Peter Waldkirch*

It is that time of year again when the Newburg Firemen start working and putting together the plans for 2008 Fireman's picnic. The picnic is very important to the fire department. The profits from the picnic are used to help buy new equipment, which in turn helps to reduce the amount of money that is needed from the taxpayer. The firemen put in hundreds of man hours just to make the picnic a reality - BUT we can't do it alone. We need help from the public. We need volunteers for the hamburger stand and also bartenders in the beer tent. Any help you could give us would be greatly appreciated. If you are unable to help at the picnic, maybe you could support us by coming and enjoying the festivities. We have a website where you can find out more about our picnic. It is: [www.newburgpicnic.com](http://www.newburgpicnic.com) - we hope to see you there! YES - this year the UW Madison Marching Band will again be in our parade and there will be a 5<sup>th</sup> quarter performance in the park for all to enjoy.

## Dept. of Public Works

*By Phil Beitz, Trustee*

*Public Works Committee Chair*

Spring is coming and everyone is getting ready to plant shrubs, trees, etc. Please remember, no obstructions are permitted in the "right of way" of the village streets. If

you have any questions regarding the right of ways in the village, please contact the village hall at 675-2160.

### Garbage Collection & Recycling

The municipal yard will be open from 9:00 am to 12:00 noon on the second and fourth Saturday of the month to village residents, to accept yard waste and waste oil for recycling. Please refer to the sign at the gate for acceptable and unacceptable items. Waste tires may be accepted after the purchase of a permit from the office of the Village Clerk during regular Village Hall business hours. The fee is \$10 per tire.

Check the Ozaukee County Clean Sweep announcements for information on disposal of hazardous items at the Port Washington facility. Complete information is at <http://www.co.ozaukee.wi.us/hhw/index.htm> There is a fee for this service and it is available year around to both Ozaukee County and Washington County residents.

Washington County will conduct it's annual Clean Sweep Program on September 26 and 27, 2008 at the Washington County Vehicle Maintenance & Storage Facility at 900 Lang St in West Bend. Hours are 8:00 AM to Noon on both days. Lists of accepted and unaccepted items are available by calling the Clean Sweep Hotline number, 262-335-4810 or by visiting <http://www.co.washington.wi.us/lcd>.

Personal computers and cell phone may be recycled through the Volunteer Center of Washington County. More information is available at <http://www.volunteernow.net> Or by calling 262-338-8256 for programs offered year around.

Printed flyers describing these programs are available at the Newburg Village Hall.

The 4th Saturday of each month Public Works will go through pick up cut brush and branches that you have placed at the curbside. They need to be placed on the curbside by 7 a.m. and should be in 4-6 foot lengths.

Large items may be disposed of at the Village Garbage and Recycling contractor after you make arrangements. Contact Veolia directly at 262-334-5618 to arrange for you to take it to their facility at 803 N. River Road OR, Contact Bath Recycling in Kewaskum at 262-334-0705 and ask them what their current arrangements are. You may in fact collect a fee for taking it to them depending upon the current market conditions for the items you are disposing.

Remember that Garbage and Recycling must be placed curbside by 6:00 am on Friday mornings and that the Village Ordinance prohibits it from being placed curbside more than 24 hours in advance of that time. If you expect to be gone or otherwise unable to set out your garbage the day before pickup, please try to arrange for

a friend or neighbor to do it for you rather than setting it out several days early.

### Street lights

If you notice that your street light is out or is constantly on, you can call the WE Energies at (800) 242-9137 to report this, or you can go to their website at [www.we-energies.com](http://www.we-energies.com) and go to residential and then on the right side of the page to "Report a Streetlight Outage". There is a tag or metal plate near the base of each street light pole. This pole number is helpful to WE-Energies in identifying the light you are reporting.

We are very interested in your feedback about the services we provide and invite your comments, good or bad, by writing to us at P.O. Box 50, Newburg, WI 53060, emailing to [villagehall@village.newburg.wi.us](mailto:villagehall@village.newburg.wi.us) or calling the Village Hall at 675-2160 or, if you prefer, my home phone number is 675-2045.

## Myraneers 4-H Club

The Myraneers 4-H club all worked together and made Valentine Favors at our January 4-H meeting for the people at Samaritan Home. Some of our club members delivered them to the Samaritan Home to be given out. Before our February meeting we took a tour of the Food Pantry here in West Bend for a club activity. It was neat to see what they all have to offer for the community families in need. If you are interested in joinin4-H or have any questions about our club call 334-8086. 4-H, What a great experience!
