Trick or Treat hours -
Saturday, October 25
from 3-5 with the bonfire
in Newburg Firemen's
Park later that evening.

Sign on Page 9 to post in your window
welcoming Trick or Treaters.

Bonfire

On Saturday, October 25th there will be a
bon fire in Newburg Firemen's Park
starting at 7 p.m. They are now collecting
brush for their pile. Please no glass or
nails or garbage. Please adhere to this as
clean-up becomes a real problem if there
are nails and glass in the brush pile.

Holy Trinity Fall Festival

Will be held on Sunday, October 26th
starting with a polka mass at 10:30 a.m.
This will be followed up with a turkey and
all the fixing's dinner - serving until 4 p.m.
There will also be the game room and huge
rummage sale in the school. There is a
huge raffle this year. Tickets are available
at the rectory.

From the President's Desk

By President Bill Sackett

As fall quickly approaches and we put away our garden tools, baseballs and see the end of our summer picnics for another year, looking forward to the autumn colors, I hope everyone had a pleasant summer.

As 2008 comes to a close, we all have to remember that the Presidential Election is coming up in November. Also, the election for three Trustee seats and the Presidents position will be up in the April 2009 election for the Village of Newburg Board. If anyone is interested in serving this community, please contact Clerk Cording or Deputy Clerk DeWeese for filing papers (262-675-2160). These will be available in December for the April election. PLEASE REMEMBER TO VOTE.

At the first Board meeting in September, we received a letter of resignation from Chris Woda who has served this village as DPW Sup. for the last several years. On behalf of the Village Board and the residents of the Village of Newburg, I want to thank Chris for a job well done and wish him nothing but the best in his future.

In early September, Carol DeWeese was hired as Deputy Clerk/Treasurer for the village as a full time position. Carol will be handling the duties that were performed by Doug Hein. This transition will be done in a timely manner to assist Carol on taking on these responsibilities. She will also be handling the duties that have been performed by Barb Chesak over the last several years. Barb and Doug have served the Village of Newburg in a very professional and courteous manner and their efforts are deeply appreciated and again, I wish them success in whatever they do in their future.

The Planning Commission continues to work on the future development for the Village of Newburg. There will be projects they will be looking at in the near future concerning the infrastructure of the Village. One of the new developments that were brought before them is an addition to the Newburg Fire Departments firehouse. This looks to be very exciting for them, a volunteer organization of men and women that continues to serve the Village of Newburg and surrounding areas in a proficient and excellent manner.

The Parks Committee is in the process of finalizing the Francis "Fritz" Falkner Park. I was honored to serve as a Trustee under Fritz when the village was first incorporated in 1974. I also want to say a special thank

you to Mary Monday who donated a parcel of land to the Village to make this happen.

The Vietnam Memorial Park, located east of No No's will start taking shape. There is a fund set up at the State Bank of Newburg for those interested in giving a donation toward the building of this park and monument. This is a tribute, long in coming for those who have served their country and in many cases paid the ultimate price to guarantee our freedoms. The Village of Newburg is honored and proud to have this in our Village.

Have a great fall season. Enjoy the colors and be safe.

Newburg Lioness News

by Connie Kohn

The Lioness Club has had a busy summer. Our monthly brat fries at Tri-Par have been a big success. Thank you to all our supporters. Our next brat fry will be Saturday, October 4th from 10-2. Remember - we also have hamburgers & cheeseburgers. The 4th Annual Lioness/Lions Free Kids Fishing Derby was also a beautiful day in the park. It was enjoyable to see the adventurous smiling faces of children fishing, a sport that sometimes gets lost in our busy computer-orientated life. Lunch was served and prizes for largest fish, most fish and 2nd amount of most fish were given. Lots of smaller fish were caught but the largest overall fish was a 14 ½ sucker. Many thanks to all of our volunteers and sponsors. Three big boxes of food were collected for the Food Pantry. We had a raffle with many prizes and raised \$262 for our Holiday Dinners.

The Lioness Club prepare a yearly Holiday Dinner (Turkey or ham with all the trimmings) for the elderly/needly. We then deliver them to Regency Manor and many other places in the community. If you would like to donate food for our project, or know of anyone who would like a dinner - please call Kathleen Sackett (262) 689-1135.

Lioness Club Pictures with Santa is scheduled for Saturday, November 29th

from 9-Noon at the Newburg Fire Department. Bring the kids to see Santa, make an ornament and enjoy our coloring contest. Please bring a non-perishable food item for the food pantry. If interested in joining the Lioness Club, contact one of our members. We have fun helping the community ... your community.

Parks Department

By Trustee Damrow

Has been busy all summer cutting the grass and keeping Dr. Weber Park ready for baseball practices. They will soon be cutting down more trees at the Francis "Fritz" Falkner Park and the finish work will be done next spring.

Dept. of Public Works

By Phil Beitz, Trustee

Public Works Committee Chair

Emerald Ash Borer Infestation

As I'm sure you are all aware, Newburg has gained some notoriety as the epicenter of the emerald ash borer infestation in Southeastern Wisconsin. You can pickup literature that will inform you more about this problem at the Village Hall. The important thing to note is that the primary control of this infestation is keeping it localized. That means insuring that wood from infested trees in Newburg stays in Newburg. For brush and wood, you can continue to take advantage of Newburg's brush collection service or you can drop it off at the municipal yard when it is open to accept recycling. Infested wood is safe for the present as the adult borers have already left for the year and the new crop of borers will not mature until about April. Nothing needs to be done in a hurry right now but infested trees should be removed and disposed of before the end of May.

Garbage Collection & Recycle

The municipal garage will be open from 9:00 am to 12:00 noon on the second and fourth Saturday of the month to village residents, to accept brush and waste oil for recycling. Please refer to the sign at the gate for acceptable and unacceptable items. Waste tires may be accepted after the purchase of a permit from the office of the Village Clerk during regular Village Hall business hours. The fee is \$10 per tire.

Check the Ozaukee County Clean Sweep announcements for information on disposal of hazardous items at the Port Washington facility. Complete information is at <http://www.co.ozaukee.wi.us/hhw/index.htm> There is a fee for this service and it is available year around to both Ozaukee County and Washington County residents.

Washington County conducts an annual Clean Sweep Program at the Washington County Vehicle Maintenance & Storage Facility at 900 Lang St in West Bend. Dates and hours and lists of accepted and unaccepted items are available by calling the Clean Sweep Hotline number, 262-335-4810 or by visiting <http://www.co.washington.wi.us/lcd>.

Printed flyers describing these programs are available at the Newburg Village Hall.

The 4th Saturday of each month Public Works will go through pick up cut brush and branches that you have placed at the curbside. They need to be placed on the curbside by 7 a.m. and should be in 4-6 foot lengths, neatly stacked, all branches aligned the same way. Larger branches or trunks must be cut to less than 50 pounds for each piece.

We will provide dumpster service again this year at the municipal yard for the disposal of land fill acceptable items such as furniture, carpeting, toys, small amounts of construction material, box springs & mattresses. As before, hazardous materials are prohibited as well as appliances, dirt, sod, grass clippings, concrete, rocks, bricks, iron or tires. The municipal yard will be open from 9 am to noon on Saturdays and from 5 pm to 7 pm on Wednesdays from September 30 to October 28.

Large, non hazardous items may be disposed of at the Village Garbage and Recycling contractor after you make arrangements. Contact Veolia directly at 262-334-5618 to arrange for you to take it to their facility at 803 N. River Road.

If your items are recyclable - appliances, etc you may want to check the following recycling companies for the current rates they will pay for these items:

American Metal & Paper, 935 Schoenhaar Dr., West Bend, 262-334-9542
A & W Iron & Metal, 7588 Otten Dr., West Bend, 262-338-8487
Bath Recycling, Kewaskum, 262-334-0705

Why should you recycle Compact Fluorescent Lights?

As energy-efficient lighting becomes more popular, it is important that we dispose of the products safely and responsibly. Proper recycling ensures the benefits of CFLs while properly managing the disadvantages.

Compact fluorescent lights contain trace amounts (an average of 5 mg) of mercury vapor -- it's what makes the bulbs energy

efficient -- an amount the size of the period at the end of this sentence. Because they contain mercury, the bulbs should be disposed of properly; ideally recycled.

It's important to know that CFLs are safe to use and pose no danger when used properly. More information regarding mercury in CFLs, including proper disposal options and what to do if a bulb breaks, can be found in the [fact sheet](#) below.

[Mercury Fact Sheet](#)

http://www.focusonenergy.com/files/Document_Management_System/Residential_Programs/mercurylighting_factsheet.pdf

Where can I recycle my Compact Fluorescent Lights?

Focus on Energy has partnered with the world's largest environmental service company to offer a solution. Focus representatives are providing interested retailers with recycling containers as part of a new, no-cost CFL recycling program for their customers.

Use our [retailer search](#)

<http://www.focusonenergy.com/Resources/Find-a-Retailer.aspx>

to find retailers participating in the CFL recycling program. Choose 'CFL Recycling' as the store type in the drop down box. You can still recycle your bulb even if there are no retailers partnering with Focus on Energy in your area.

Recycling: Why do we do it?

Because state law and municipal ordinances require it, and fines may be assessed for mixing recyclable items with garbage destined for landfill.

What do we gain from it? We receive more state grants as the ratio of recyclables to garbage increases.

What do we lose by not doing it? Our state grant is decreased.

Our income is decreased. Our property taxes (rent) is increased to make up the difference. Our cost of garbage collection goes up due to the increased volume. All recyclables are to be placed in your blue recycling container. If you do not have a container or yours needs replacing, one may be purchased at the Village Hall for \$10.00.

Remember that Garbage and Recycling must be placed curbside by 6:00 am on Friday mornings and that the Village Ordinance prohibits it from being placed curbside more than 24 hours in advance of that time. If you expect to be gone or otherwise unable to set out your garbage the day before pickup, please try to arrange for a friend or neighbor to do it for you rather than setting it out several days early.

Snow Emergency Parking

From November 1st to April 1st, except on Main Street (CTY. MY) parking shall be permitted only on the even numbered sides of the streets on even-numbered dates as of 11 p.m. the previous night to 6 a.m. the following morning and on odd numbered dates as of 11 p.m. the previous night to 6 a.m. the following morning. Violations of this ordinance will result in a \$25 ticket. If the vehicle has not been moved within 24 hours, the vehicle may be towed away and the owner will be responsible for towing (\$55) and storage costs. It's very important to observe these

restrictions to allow us to do an effective job of snow removal from village streets.

Snow Clearing from Sidewalks

Chapter 8.06 of the Municipal Code requires that the owner of each property in the Village shall clear the sidewalk abutting that property, to the full width of the sidewalk, within 24 hours after the cessation of a snowstorm. That includes opening access to the crosswalk on corner lots. Cooperation with this was less than desirable, particularly along Main Street. The ordinance provides penalties for failure to clear these walkways and allows the Public Works Department to summarily clear them and bill the cost of clearing to the property owner. Downtown businesses depend on their customers being able to access their establishments and it is important that all of them cooperate with each other to keep access open. This is a safety issue, particularly for our younger and elderly residents and a potential liability issue for property owners. Please try to make arrangements to be sure this is done as promptly as possible.

Snowmobile Trails

Snowmobile season is right around the corner and HOPEFULLY - the prediction is for lots of snow. The trails are usually open if there is 6 inches of snow or more. For the hot line, please call 334-6061 to see if the trails are open or not. Please observe the trail boundaries and don't go outside them. People grant the club permission to ride the trails - don't abuse this. The carbides on the new snowmobiles are very damaging to village sidewalks and ordinances providing for a \$300 fine will be enforced against those who operate on the sidewalk. Please keep the trails through the village open and don't abuse this privilege.

We are very interested in your feedback and comments about the services we provide and invite your comments, good or bad, by writing to us at P.O. Box 50, Newburg, WI 53060, emailing to villagehall@village.newburg.wi.us or calling the Village Hall at 675-2160 or, if

you prefer, my home phone number is 675-2045.

Myraneers News

Ana Komro, Reporter

In July members from the club participated in the Washington County Fair. The following Myraneers exhibits were chosen for the State Fair: Amanda Goehring's four photos-posing people (photography) and Kiley Komro's wine glass charms (Arts and Crafts). Also, Ana Komro's exhibit, "Four photos-same subject" was awarded Reserve Champion in Junior Class Photography.

October 5-11 is National 4-H Week. The club will be putting up a window display at the State Bank of Newburg to inform people about 4-H.

The club will be hosting its annual Fall Dance (formerly the Halloween Dance) on Saturday, October 25, 2008 at the Newburg Fire Hall at 5:30 P.M. The public is welcome. Admission is \$3.00 each. There will be good food and costume contests for all ages.

The club elected the following officers for the 2008-2009 year: President Cindy Mueller; Vice President Brittany Falk; Secretary Hannah Grosskreuz; Treasurer Kelly Boyea; Reporter Ana Komro; Historians Lindsey Wolff and Kiley Komro; Ambassadors Maida Wolff, John Falk and Jacob Mueller.

Call: (262)-675-6518 or (262) 334-8086 for questions about the Myraneers 4-H Club or about any of its activities.

A weekend Art - Crafts - Gifts Show at Welcome, HOME Bed & Breakfast Original work offered by local artists. Free Admission. Located on Hwy Y - just ¼ mile North of Hwy 33 (between No No's and Riveredge Nature Center)

If you need extra space for your out-of-town visitors give us a call.

Thanks for your assistance Newburg Fire Department!

Happy, Safe Holidays to all - from everyone at Welcome, HOME.

NEWBURG LIONS CLUB

ROGER F. KRELL, PRESIDENT

The Lions would like to thank everyone who purchased our Big Raffle Tickets this year. One of our major donations with the raffle profits was \$1,000 which we gave towards the Memorial at Freedom Park located east of No No's and sponsored by the Newburg Vietnam Chapter. We also would like to thank all who attended our Car Show this year making it a success. The Kids Fishing Derby put on by the Lioness was also successful you could tell by all the smiling faces both on the young and the old. Connie Kohn spent her free time for a month collecting prizes and give aways for the kids. Good job Connie and all the Lioness who cooked the food, registered participants, and made it a day to remember.

Next we would like to bring a matter to the attention of the Villages & Town of Trenton parents. Several years ago the

Lions built a shelter for the playground in the Firemen's Park. A year later we purchased 4 Red Cedar picnic tables along with 2 picnic tables for the children. Enter the older kids or vandals who are destroying the tables. For the past two years we have been repairing these tables every Monday night and we finally are saying enough is enough. We are repairing them for the last time and when these vandals destroy them in the future they will not be fixed or put back into service. The shelter will be picnic-table free. I know all parents say its not my kids doing the damage, but the Fire Department will be enforcing some curfews in the near future including putting an age limit on the playground equipment. It isn't only the playground picnic tables that are getting vandalized it's picnic tables elsewhere in the park. The portable toilets are getting vandalized, the ball diamonds and the scoreboards are getting stoned constantly. You parents must remember the park is the property of the Newburg Fire Department and they can shut it down or impose curfews any time they feel that the vicious destruction of their property is out of hand. It also may end up with fines or probation because it has to be stopped. We need the help of the parents to stop this by asking you sons and daughters who is doing this damage and reporting it to the Newburg Police or the Fire Department.

On the lighter side one of our next projects is that The Lions are hosting is a Christmas Party and meal and choral entertainment by the Myraneers for the Blind. We will be holding it at West Bend Lakes Golf Club who will also be preparing the meal. They will be playing Bingo and other games and yes some do bring their dogs along. We have a Santa who gives presents to all, but if anyone would like to donate anything for this Christmas Party contact me at 338-8204. Each year a different Lions Club has the party and Newburg Lions volunteered for 2008. I attended many of these parties for the Blind and when you leave you are greeted with the biggest smiles and thank you's. You can't imagine how lucky one is with the gift of sight and how these people adapt to this handicap.

Our next Lions meeting is Monday, October 13 at Sandy's Parkside Inn. If you're interested contact me at 338-8204 or our Membership Chairman Rand Krueger at 675 6297 Our meal is scheduled for 6:30 which follows the hospitality hour. The meeting is scheduled to take place after the meal. We are always looking for individuals that would like to donate some time to help those in need. Who knows some day you and your family might need some help. Think about it the Lions are the only true non-profit organization. Just a reminder drop off your old eye glasses and hearing aids at the State Bank of Newburg in the containers at the entrance. They are repaired, resized and are distributed to those in need.

Bonsai Pet

A new business is open in Saukville called Bonsai Pet. They will specialize in grooming and goods for your pet. They are an "all breed" salon located at 301 W. Dekora Street in Saukville. The owner and stylist Lori Gulling can be reached at

Phone: 262-284-4738

Hours: Monday, Wednesday & Friday from 9-5

Wednesday evenings and also Saturday (by appointment only)

E-Mail: bonsaipet@hotmail.com
