From the President’s Desk
By President Mike Heili

Well how fast did summer go? The children have already returned to school. With that thought in mind, please be watchful and careful on the roadways. Remember that we now have school bus traffic all around the Village, all day long during the week.

With the increase school bus traffic in the Village, the Newburg Fire Dept. had a recent training with a tipped over school bus. The training focus was to practice extracting people in different scenarios. This was perfect timing for this type of training. KUDO’S to the NFD for being proactive.

John Beimborn Sr. recently resigned as one of our long time Village Trustees. We thank John for his dedication and service to the Village. His insight will be missed.

With an opening on the Board, I asked Bill Cording if he would have any interest in filling the remaining term. Bill accepted the challenge and was appointed to the Village Board at the September Board meeting.

Our Treasurer/Deputy Clerk, Nancy Brunner has resigned her position. In the absence of a Treasurer, our Administrator, Rick Goeckner will serve as acting Treasurer.

I would like to remind everyone that there will be no Village Bon Fire on Trick or Treat night. The Village Board carefully reviewed the costs associated with the event and have decided that there will be no Bon Fire this year.

Police Chief Yankee continues to become more comfortable in his new position. This past month, Chief Yankee identified the need for additional safety equipment, for our police squad cars.

I would like to thank the Newburg Lions and Lioness for their generous donation to the Police Department. The type of work that both of these groups do for this Village and our community is well done. I also would like to thank Lochens for their donation and ongoing community support. I am so proud that these people help our community and support our Police Department.

The Village will be losing a great community supporter, as our long time No No’s Restaurant changes hands. Noreen, we thank you and your family for being a great asset to this Village and for all of your support over the years.

Let’s hope for a great autumn and a mild winter.

Administrator/Clerk/Treasurer
By Rick Goeckner

General Election

**Voting hours for the November 8th election are
7:00 AM until 8:00 PM.**

In-Office absentee voting begins on October 24th at 9:00 AM and ends November 4th at 5:00 PM. The last day to register to vote is November 4th at 5:00 PM.

Trustee Resignation/Appointment – John Beimborn Sr. recently resigned his position as Village Trustee. Bill Cording, a former Trustee and Village Clerk, with over 25 years of service to the Village, was appointed to complete John’s term which ends in April of 2017. Welcome back Bill!

New Employee – Christin Brynwood has been hired as the Village's Accountant and appointed as Deputy Clerk. She will be handling the village's financial record keeping including the utility billing, real estate tax billing and receipts, pet licensing, accounts payable, payroll as well as the Bridges newsletter. She will also be assisting with the elections and resident inquiries. We look forward to Christin's service to our community. With that said, I will be taking on the position of Village Treasurer.

Dog Licensing – all dogs kept within the village limits MUST be registered with the village. State requires such to verify that all dogs have been vaccinated for rabies. The registration renewal application notice will go out to current dog owners mid to late December.

Sanitary/Utility Billing - all unpaid sanitary bills as of November 1st will be forwarded to the County Clerk. These unpaid bills will be added to the real estate tax bill for collection. The Village is not allowed to collect these payments after the November 1st date. This is in accordance with state law.

Please be reminded that payments for sanitary billing can only be made at the Village Hall. Payments can be made in person from 9-5 Monday through Friday, or by mail, or put into the Drop Box at the Hall. Payments that are mailed will be credited as of the post marked date, and payments put into the drop box will be credited as of the previous business day.

Please include a self-addressed, stamped envelope if you would like to receive a receipt for your sanitary bill. If you have any questions, please call the Village Hall at 262-675-2160.

Trash Pickup – we have received several phone calls from residents regarding the village's waste hauler picking up recyclables at the same time and with the same truck as regular trash. Please note – Advance Waste now has a truck with 2 separate bins allowing for segregated collection and hauling of both types of waste. The recyclables are NOT mixed with the regular trash for dumping.

Recycling – Fall Clean Up Dumpster will be available starting September 28th and all 4 weeks in October. Hours of operation will be Wednesdays from 5 PM – 7 PM and Saturdays from 9 AM – 12 PM at the maintenance building on Municipal Drive. The open dumpster is there for your use. However, we do prohibit the disposal of paint, electronics, batteries and tires. Please do not abuse the system by disposing of these prohibited items.

Brush Pick Up – residential roadside brush pick up will end the fourth Saturday in October.

Village Hall Holiday Hours – Holiday closures for the Village Hall will be November 24th and 25th all day, December 23rd & 26th all day; and December 30 from 1:00 PM – 5:00 PM.

Village Code – a recent change was made to village code regarding zoning, specifically the size and the number of accessory buildings allowed in various zoned districts. As noted in a previous newsletter, the Village of Newburg municipal code is now online and has a very easy to use search engine. The link is located on our website <http://www.village.newburg.wi.us> at the bottom center of the page [Newburg On-line Municipal Code](#).

Have a beautiful and enjoyable fall.

Newburg Police Department

By Scott, Yanke, Chief of Police

As of June 1, 2016, I became your new Police Chief. My name is Scott Yanke. I recently retired from the Cedarburg Police Department after 29 years of service. During my career, I served as a Patrolman, Detective, and Patrol Sergeant. I also worked for 4 years with the Ozaukee County Sheriff's Department previous to my service with Cedarburg. I was a Patrolman and Sergeant here in the Village of Newburg from 1996-2005. I am very grateful to be back. We have a great community. I am excited to working with you on building a better community in which to raise your family in a safe environment.

I would like to thank the Newburg Lions Club for their generous donation which enabled us to purchase an automatic defibrillator for our squad car.

The quicker we can get those life-saving tools on scene, the better the chances of surviving sudden cardiac emergencies.

I would also like to thank the Newburg Lioness Club and Lochens Ford for purchasing 2 ballistic vests for our squad cars. Your officers appreciate the community support to increase their safety when on patrol.

Our officers recently completed training on administering Nar Can on drug over-dose emergencies, and we will soon be carrying Nar Can when on patrol.

I am confident that we are going to continue to work together to make our community an amazing place to live. In communities like Newburg, it is vital that we work together.

On September 22, 2016, the oath of office for the position of Police Captain was administered to Officer Michael Foeger. Welcome Police Captain Foeger.

Please call me or stop in the Village Hall to discuss any concerns you have, or to introduce yourself.

Newburg Fire Department

By Mark Chesak, Fire Chief

I hope everyone had a safe and enjoyable summer.

Thank you to everyone who comes down and supports us for our bingo on the 1st and 3rd Wednesdays of the month. Your support is greatly appreciated.

A reminder that it is that time of year again to change the batteries in your smoke and carbon monoxide detectors.

The Newburg Fire Department still has free smoke alarms to any homeowners who are in need of them. They must be installed by the fire department. They will be given out and installed on a first-come, first-served basis if you would like one, please call the fire station 675-6262 ext. 105 You may enter the extension at any time if you get the answering

machine. If you have a wood-burning fireplace make sure you have it cleaned or clean it yourself and check for any obstruction.

The Newburg Fire Department will be hosting an open house. October 8, 2016 from 10 AM to 2 PM. Watch extrication demos at 12 noon and a live burn demo at 1 PM. The kids will get a chance to spray water from a fire hose, receive fire prevention goodie bags and try on firefighter gear. Don't forget the sign your child up to win a ride home from school in a fire truck. Hope to see you there!

Remember there will be no bonfire this year, so there'll be no dumping of any wood in the firemen's Park. Stay safe.

Little Village Insurance Agency, LLC

Lee & Associates/ IGW

By Craig Wermager-

Greetings from Little Village Insurance Agency!

It's Fall in Newburg, raining, damp, chilly and just a little bit depressing. So what better time to talk about your health insurance! (lol)

For everybody on Medicare, the annual enrollment period starts October 15th, 2016, and runs through December 7th. Any changes that you make at this time will be effective January 1st, 2017.

Agents can start marketing the new products on October 1st, but no agent or company can actually fill out and take an application until the 15th.

There is one new Medicare Advantage company available to SE WI residents that actually look pretty good, so if you have had your Medicare Advantage plan for a few years, this might be an excellent time to shop around. Give us a call and we will see if it makes sense for you to switch. The plan is a PPO (instead of a HMO) and has great benefits and excellent customer service. It never hurts to check.

If you have a Medicare Supplement and your premiums are starting to get unbearable, give us a call and we can check other Medicare Supplement companies (you will have to answer health questions, and can be declined), or we can look at switching you to a Medicare Advantage plan for the first of the year.

As in the past, we ALWAYS recommend that you shop your Part D drug coverage at this time. Co-pays, deductibles, pharmacy networks, and most important, formularies change, so it is always in your best interest to shop your coverage at this time of year to make sure that you have the best plan for your needs and budget.

If you need any help determining if you have the proper Medicare coverage, give us a call at [262-675-9399](tel:262-675-9399), and we will provide you with a no cost (FREE) review of your coverage.

For all of you with ACA/Obamacare regulated plans, there are some significant developments. The enrollment period for you to make changes to your coverage runs from November 1st, 2016, and runs through January 31st 2017. In order for new coverage or any changes you make to your account to be effective on January 1st, 2017, you must make these changes before December 15th, 2016.

As of today, three major companies will be pulling out of the individual (under 65) marketplace, and will no longer be offering plans. If you have received a letter saying that you need to find a new plan for 2017, give us a call and we will help you determine which new plan to choose to cover your health care needs. This also is a FREE service, so don't be afraid to contact us.

Most plans will be seeing slight changes in coverage (higher deductibles, higher maximum out of pockets, higher co-pays, higher premiums), but the government will also be awarding higher tax subsidies to help offset some of these increases. Please feel free to contact us with any questions that you might have. If you decide to do it on your own, be VERY careful. Even if you think you did everything right, it is easy to make a mistake and the long term ramifications can be severe. It is always harder to correct the problem, than to do it the right way in the first place. Remember, It costs you nothing extra to use an agent, and you get a long term advocate to help you with past, present, and future problems. When in doubt, call Little Village Insurance ([262-675-9399](tel:262-675-9399)) for a no cost consultation.

We hope everyone had a fantastic summer, and get out and enjoy our beautiful Wisconsin fall!

Decorate the Village has become so popular that we would like to invite Village residents to also participate this year. We will have two categories. A business category and a resident category. The business winner of last year's contest and trophy holder is the Newburg Brewery. Last year we raised \$450.00 for the giving trees at our local churches. The Lioness gathered names from our local churches giving trees and purchased items that helped families enjoy the holidays with food and needed items. This year we would like to again continue our giving. We invite anyone business or resident,

who would like to participate in this year's contest or to become a judge to please send an email the Newburg Lioness at newburglioness@outlook.com.

We would like to continue giving to families during the holidays and spread joy throughout the Village. We will have additional participation information available in November at various locations throughout the Village. Let's celebrate Newburg by turning the Village into a winter wonderland.
