

Minutes of the Village of Newburg
Sanitary Committee
October 17, 2013

The meeting of the Village of Newburg Sanitary Committee for Thursday, October 17, 2013, was called to order. Roll was taken with all committee members present, except Engineer Bednarski. A motion was made by Trustee Wollner and seconded by Trustee Huebner to approve the minutes of September 19, 2013, with any additions and corrections. Motion passed.

Unfinished Business

1. None.

New Business

1. Report on the televising of the sewer lines and any issues. Superintendent Becker reported on the televising of the sewer lines west of the bridge and that it has been concluded. There is an issue on Hickory that has to be repaired. A section of pipe is broken and has to be replaced. It was the opinion of the committee that this should be done. However, because it was not on the agenda for discussion and possible action no formal vote and the matter was able to be had. The televising of the lines will cost \$4500 to \$5000. The initial estimate of the repairs will be \$3000 to \$5000. There is money available to make the repairs. I asked Superintendent Becker to discuss this with Administrator/Clerk Goeckner as to how to proceed.

Adjournment

A motion was made by Trustee Huebner and seconded by Trustee Wollner to adjourn the meeting. Motion passed.

Bill Sackett, Committee Chair
