A general review was made of the Board of the Review procedures.

Goeckner led discussion as to allowing testimony by telephone or sworn written statements. The Board felt no change was needed as to the current practice of not allowing such.

Goeckner also led discussion on allowing for waiver of Board of Review hearing requests. Again, the Board felt no change was needed as to the current practice of not allowing for such.

Recently adopted Village of Newburg Ordinance # 06-2017, an Ordinance Relating to the Confidentiality of Information about Income and Expenses Requested by the Assessor in Property Assessment Matters in the Village of Newburg was reviewed.

It was noted that the summary of the Annual Assessment Report by the Assessor's Office would take place in the next two weeks.

Goeckner informed the Board of his receipt of the Assessment Roll from the Assessor.

The Assessment rolls for both Washington and Ozaukee Counties were distributed and reviewed by the various members of the Board of Review. No changes were presented for addition, deletion or modification of the rolls.

Per sec. 70.43 Wis. Stats, there were no corrections of errors to certify.

The village's assessor verified that the Open Book changes, there was one, were included in the assessment rolls as presented.

Since there were no requests for waivers of the 48-hour notice of intent to file an objection, requests for waiver of the BOR hearing allowing property owner an appeal directly to Circuit Court, requests to testify by telephone or submit sworn written statement, or subpoena request, no action was taken.

I was noted that the BOR did not receive any notices of intent to file an objection.

No one appeared before the Board to provide any testimony or file any objections of the 2017 assessments.

Motion was made by Strohmeyer, seconded by Juech to close the Board of Review meeting at 8:02 P.M. Motion passed, 5 - 0.
